Manulife Health Saver Benefit Named “Best Medical Plan for Families” at the Prestigious Parents’ Choice Awards 2023

KUALA LUMPUR – Manulife Insurance Berhad’s (Manulife Malaysia) flagship medical plan – Manulife Health Saver Benefit (MHSB) won the trust and votes of Malaysian parents and was honoured as the Best Medical Plan for Families at Parenthood’s sixth annual Parents’ Choice Awards.

This remarkable achievement marks the second consecutive year in which Manulife Malaysia products have been recognised for their excellence, with the Manulife Precious Gift product winning the "Best Child Coverage Plan" at the Motherhood Choice Awards in 2022.

MHSB’s innovative feature provides 30% Upfront Discount (UD) and up to 40% No Claim Discount (NCD) on the cost of insurance, allowing customers to benefit in the long run when no claims are made. With the option to add the MHSB Booster, customers will get to ensure their NCD will remain intact even after reaching age 60, providing peace of mind during their golden years.

“Receiving this recognition is a testament to our unwavering commitment to meeting the evolving needs of our customers by offering comprehensive, flexible, and affordable insurance products. This accolade further affirms our dedication to creating comprehensive solutions that provide top-quality medical coverage to families in a seamless and cost-effective manner,” said **Vibha Coburn, Chief Executive Officer, Manulife Malaysia**.

MHSB offers extensive medical coverage for COVID-19 treatment, as well as future pandemics. A notable highlight of the plan is its comprehensive coverage for up to 5 children under one plan that optimises the cost of insurance while ensuring the entire family receives top-quality medical coverage.

“Receiving this recognition is extra special as we celebrate our 60th anniversary this year and we will continue to create innovative products, to stay ahead and empower Malaysians with holistic financial protection and opportunities,” added Coburn.
