Manulife Malaysia brings Santa to town once again

Kuala Lumpur – Manulife Malaysia spread the joys of giving this Christmas season by fulfilling the wishes of the children of Stepping Stones Living Centre, Taman Seputeh. Manulife Dear Santa 3.0 is all about granting Christmas wishes of underprivileged children, by rallying support from Manulife staff in the spirit of giving and sharing.

Following the successes of this project since 2016, a microsite containing the wishes of the children was once again created and got Manulife staff excitedly fulfilling the wishes in it.

Then on 15 December 2018, Manulife staff, dressed in Santa costumes and garbs, spread Christmas cheer to the children of the home. A clown was brought along to do some magic tricks and Manulife staff performed a special carolling session to the delight of the kids.

The spirit of giving continued with the Home receiving a brand new washing machine, wall and ceiling fans as well as groceries from Manulife Malaysia.

Manulife Malaysia's Chief Executive Officer, Sang Lee said, "There is no greater joy, or sense of fulfilment, than in the act of giving and putting a smile on the faces of these children. At Manulife, we want to cultivate a spirit of giving among our staff and the people around us. Manulife Dear Santa 3.0 is our way of granting some of these wishes to the children who need it most."
